What is *.guru*?

A *guru* is someone who's an expert on a particular topic. Which makes the new *.guru* domain a natural choice for everything from advice blogs to how-to sites.

Share what you know with *.guru*.

What is *.photography*?

One of hundreds of new domains, *.photography* focuses on photography studios, photo sharing websites, print shops, retailers, publishers and photographers of all kinds.

Make it easy for customers to connect with your passion – register *.PHOTOGRAPHY* for your website.

What is *.clothing*?

This domain gives retailers, boutique owners, tailors, department stores, designers and outlets a memorable way to identify their websites.

Make it easy for fashion lovers to find you. Get *.clothing* for your website.

What is *.bike*?

.bike is a new domain for any business or group that caters to the growing number of cyclists the world over.

Bike stores, motorcycle dealerships, repair shops, bike bloggers, travel agencies and cyclists of all stripes can connect online under the *.bike* banner.

What is *.estate*?

One of hundreds of new domain extensions, *.estate* lends itself specifically to estate law.

Estate planners, probate attorneys, trust officers and others who work with wills and trusts can build a strong, memorable Web presence on *.estate*

What is *.singles*?

.singles is just made for dating services, resorts and other businesses that cater to those looking to make a connection.

Turn heads and attract the right visitors with your own *.singles* domain

What is *.ventures*?

This new domain gives entrepreneurs, startups, venture capitalists, investment banks, private equity firms and financiers a web address that says you're the next big thing.

What is *.gallery*?

This new domain gives museums, art galleries, auction houses, artists, commercial designers and art schools a place to connect with art lovers worldwide, day or night.

Whether your specialty is Abstract Expressionism or performance art, *.gallery* is the place to show your stuff.

What is *.equipment*?

Whether you make skid loaders or soccer goals, *.equipment* is a unique and memorable Web address for your site.

Register *.equipment* to let dealers, suppliers and customers know where to find your gear online.

What is *.lighting*?

This new domain extension makes a brilliant Web address for lighting manufacturers, retailers, engineers and others who deal with lighting.

Whether you're a light board operator or a lighting contractor, *.lighting* is your domain.

What is *.plumbing*?

Next to your pliers and pipe cutters, *.plumbing* is the most valuable tool for your business.

With *.plumbing* after your business name or city, everyone will know where to look for help when the faucet starts to drip.
